

new technologies and components, parts and accessories, workshop equipment

# AUTOMOTIVE EXPO SOFIA

## 18-21 OCTOBER

supported by **automechanika**

### The launch of **AUTOMOTIVE EXPO SOFIA!**

Experience the latest trends in the automotive service industry! **AUTOMOTIVE EXPO SOFIA** is a trade show, which focuses on the fast-growing automotive industry and after-sales service in Bulgaria. A trade show for new technologies, for components, parts and accessories for motor vehicles of all kinds, for workshops equipment and services.

**FACTS AND FIGURES:**

- 5200 sq. m exhibition area
- Over 80 direct exhibitors
- More than 150 represented companies

**AUTOMOTIVE FORUM SOFIA** is in the spotlight beside the new technologies, products and services presented at the trade fair. The forum consists of:

- **Automotive Conference** – managers of established automotive brands will present the most successful automotive projects in Eastern Europe and Bulgaria.
- **Automotive Meetings** – a meeting place of global manufacturers of original equipment and suppliers at all levels.
- **Automotive Career Days** – for professionals from the sector and for anyone who would like to start or develop a career in the automotive industry.
